ABOUT

WEB DEVELOPER | APP DEVELOPER

Aspiring developer with hands-on experience in web and app development frameworks such as React and Flutter. Highly organised and detail-oriented with focus on learning and developing open-source projects to further strengthen my knowledge.

EXPERIENCE

SKILL ACADEMIA | SOFTWARE DEVELOPER INTERN

May 2021 – Oct 2021 | Kolkata, IN

- App Development - developed a cross-platform mobile application built with Flutter and Firebase
- Frontend Development - Wrote and reviewed code for company website using ReactJs

PROJECTS

CHATBOT

2021

Part of my final year post-graduate curriculum. A Hybrid Chatbot which possesses both Retrieval and Generative response generation modules.

COVICHECK

2021

Presented at HopHacks - a hackathon from John Hopkins University. A simple model to predict whether an individual is COVID-19 infected or not, given certain health parameters.

DICTATOR

2020

A voice note app that listens to your mic or speaker and takes down everything it hears. Built using React and Electron framework. A work in progress.

CHESS

2019

Created a simple cross-platform desktop application for a Chess GUI using Electron framework. A work in progress.
